

## SAT Information      2009-2010      Newton South

The SAT will be given at Newton South on the following dates:

October 10, 2009

November 7, 2009

December 5, 2009

March 13, 2010

May 1, 2010

June 5, 2010

Students may register by going to [www.collegeboard.com](http://www.collegeboard.com) and creating an account or by picking up a paper registration form from Barbara Brown in the College and Career Resource Room in the Student Center. Both the website and the paper form have additional information about SAT registration and the exams. Our school code is 221548 and our test center number is 22-572.

On exam day, students should report to the Newton South entrance listed on their registration ticket by 7:45 a.m. Room assignments will be posted at the entrance. Students should bring their registration ticket, a photo ID, a calculator, number two pencils and a snack. Cell phone use during the exam is prohibited. Students who use cell phones during the exam will be dismissed and their behavior reported to the College Board in writing.

Students who register for the SAT Two may register for one, two or three exams. They may take the exams in any order. On the day of the exam, students who have registered for one exam and decide to take more, or who have registered for two or three exams and decide to take fewer exams do not need to check in with me or the room proctor. S/he may take the exam(s) s/he chooses. Payment/refunds are handled through the College Board (800-257-5123).

The SAT Two Language with Listening is given in November only. There is no standby registration for this exam. Students must bring an acceptable CD player and earphones for this exam. Please see the College Board website for more information.

Newton South is a large SAT test center, but it fills up very quickly. Students should register early to get a seat at South or at a nearby center.

I urge you to register early for Newton South!

**Approximate** ending times for the exams are:

SAT One – 12:45

SAT Two – one exam = 9:40-10:05

two exams = 11:00 – 11:15

three exams = 12:30 – 12:45

SAT One extended time = 2:00 – 2:15

SAT Two extended time = add 30 minutes to the above times.

Only students with SSD numbers from the College Board are eligible for extended time or other accommodations.

Thank you.

Mary Ann Price, Test Center Supervisor
