THUMBNAIL DRAWINGS

Thumbnails are small drawings that help you to see how your CO2 dragster might look. They may be of the whole car or parts of the car. They are not detailed drawings, just quick sketches to give you ideas. Use the space below for your thumbnail drawings. You are required to come up with at least ***10 different*** car designs. Each design should be different and must include a side view and top view for each. If you need more space use the back side of this sheet. *(Each drawing is worth 10 points)*
