

Schoology- Parent Sign Up

Create a new Parent account

If you don't already have a Schoology account, go to www.schoology.com and click on the Sign Up button on the top menu (or go to www.schoology.com/register).

1. Click on the Parent button.
2. Enter your Access Code. This code is given to you by one of your instructors, and it should look similar to this: xxx-xxx-xxx.
3. Fill out the form with your information.
4. Click Register to complete.

A screenshot of the Schoology sign-up page. The title is "Sign up for Schoology" and there is a "Back" link in the top right corner. Below the title is an input field labeled "Access Code". Below the input field is the text "Enter the access code provided by your child's instructor". Below the text is a blue button labeled "Continue".

When you use a Parent Access Code to create an account, you will be automatically associated to the student. To associate additional students to your account, click on the [Add Child](#) button in your Schoology account.

Note: Parents must have an account at each of their children's schools. For example, if a parent has one child at a High School, and one child at a Middle School, the parent must have accounts at both schools, and use the [linking feature](#) to toggle between accounts. The feature allows each school to manage your parent account settings appropriately, and to communicate with you seamlessly.
