Dear Parents/Guardians,

It is with great pleasure that I write to you as the new Music Teacher for the Cabot Elementary School. When I first walked into the new building, I was speechless. I am so honored to be a part of this community and in a building with such state-of-the-art facilities and equipment. I am beyond excited about teaching music to your students!

I am originally from New Jersey where I received my Bachelors in Music Education from Montclair State, but came to Boston six years ago to attend Boston University at the College of Fine Arts. There I received my Masters in Trumpet Performance, where I studied with the critically-acclaimed trumpet professor/soloist, Terry Everson.

Following my studies at BU, I taught as a long-term sub in Salem as a Middle School Band Director, and as a long-term sub in Chelsea as an Elementary General Music Teacher. Furthermore, from 2017-2019, I worked in the Malden Public Schools as a K-8 General Music Teacher.

I look forward to meeting all of you and your students very soon!
