

Brown's expectations for cell phone use

School Rule: Students will put their cell phones away from 8:30-3:00. They should be off and out of sight- either locked in a locker or in a pocket and not in use.

If a student is using his or her cell phone without permission, the phone will be taken away and brought to the main office. It will remain in the main office until the end of the day when the student can pick it up. Student's name will be recorded.

We would appreciate your support in this matter. If you need to convey an important message to your student please feel free to contact the main office.

Thank you,

The Brown Staff
