

Dear Angier Families,

The final week of school is upon us! Another year of learning, fun, friendship, community and many good memories. Thank you all - our families - for your ongoing partnership and support. We could not do it without you. To our graduating families, congratulations and remember - you're never a stranger at Angier! We hope you stay in touch and come back to visit us every once in a while.

The last day of school is this Wednesday, June 21st. Dismissal is at 12:10pm. Please take a moment to read the instructions below for dismissal procedures. They are slightly different due to our graduating fifth graders' wonderful and unique "Angier Silly String" tradition. Also, note that the Upstanders Club will have its final meeting on 6/21 at 12:20pm, immediately following the silly string celebration.

- **At 12:10PM on June 21st:** All kindergarten through fourth grade students will be dismissed.
- Children who ride the bus will do so unless the office and teachers are notified ahead of time via School Pass.
- All children who will be picked up will stay with their teachers until their caregiver picks them up.
- Fifth grade families can collect younger siblings at this time.
- Children who ride vans will be escorted to the pick-up area by Angier staff.

Parents and Caregivers, please make all dismissal changes regarding the last day of school ahead of time using School Pass. We want to make sure all children are accounted for and are dismissed safely. **Dismissal is promptly at 12:10.**

Fifth Grade Silly String

- Immediately following dismissal of grades K-4, the fifth grade classes will process outside to the front plaza. After we count down to zero, the children will spray each other with Silly String.
- The Silly String tradition is for fifth grade students only; younger siblings may watch but will need to wait until they are in fifth grade to participate.
- Fifth grade families: Please bring your cameras and take plenty of photographs!

I wish you peace, fun, and all that makes you happy this summer!

With gratitude,

Orla
