## From the Publisher:

***Hello, Universe:*** Newbery Medalist Erin Entrada Kelly's *Hello, Universe* is a funny and poignant neighborhood story about unexpected friendships. Told from four intertwining points of view--two boys and two girls--the novel celebrates bravery, being different, and finding your inner bayani (hero). "Readers will be instantly engrossed in this relatable neighborhood adventure and its eclectic cast of misfits."

***The Girl Who Drank the Moon:*** Every year, the people of the Protectorate leave a baby as an offering to the witch who lives in the forest. They hope this sacrifice will keep her from terrorizing their town. But the witch in the Forest, Xan, is kind. She shares her home with a wise Swamp Monster and a Perfectly Tiny Dragon. Xan rescues the children and delivers them to welcoming families on the other side of the forest, nourishing the babies with starlight on the journey.
