

2019-2020 F.A. Day School Supply Recommendations

This is a list of recommended school supplies that all middle school students will benefit from having in the next school year. During the first week of school, teachers may announce additional, course-specific supply needs. If you do need to purchase supplies in September that are not on this list, you will have the first month of school to purchase them. On the first day of school, all students will receive an assignment notebook to record their daily assignments. We look forward to seeing you in September!

All F.A. Day Students
