November 30, 2020

Dear Oak Hill Families,

This letter explains all details about Parent Conferences and the process for making a reservation. At the middle school level across Newton, parent conferences are held once a year in December and January to provide parents and teachers an opportunity to share and discuss student achievement and progress. This year, we will offer both Wednesday afternoon and full-day conference times. All conferences will take place virtually over Zoom. There will be no in-person conferences.

How do I schedule a conference?

Conference reservations are completed through the Virtual Paragon online reservation system (<https://www.virtualparagon.com/oakhill/conference/>). The link can be found on the Oak Hill website.

If you do not have access to the Internet and would like to schedule a conference, or if you need to request a translator for the meeting, please call Guidance Counselors Ms. Katy Oliver, Grade 6 at 617-559-9214; Ms. Jennifer Ames, Grade 7 at 617-559-9212; Ms. Amanda Brooks, Grades 6 and 7 at 617-559-9210; or Ms. Ariel Bernstein, Grade 8 at 617-559-9213 beginning December 7.

Who will attend the conference?

You will meet with **TWO** of your student's team teachers at the same time (either English/Science or Math/Social Studies) for a 12-minute conference.

- Because there are a limited number of conference slots, parents and guardians may sign up for only one time slot per student with the team.
- Duplicate team reservations for the same student will be deleted.
- ELL and Special Education teachers may be present if scheduling permits.

The teams are listed as **6-1, 6-3, 7-1, 7-2, 8-1, or 8-2, followed by EngSci (for English and Science) or MathSS (for Math and Social Studies)**. **You will not see the teachers' individual names. You must know your student's team.**

To meet with your student's Art, Drama, ELL, Health, Music, Physical Education, Tech Engineering, or World Language teachers, sign up with individual teachers (listed under their own names).

How much time will I have to confer with my child's teacher(s)?

Teachers work diligently to stay within the scheduled times. Please make every attempt to be prompt.

- Team teacher conferences are 12 minutes long.
- Multi-Team conferences are 10 minutes long.
