

Hello Oak Hill families!

Yes, there will be a 2021 yearbook! We want your student to be in it, but we will need your help to make it happen. Here's what we would love for you to do:

1. Share pictures with us! First, we'd love for you to take a picture of your student that shows them learning remotely (whether that's in an online class, doing homework, etc...) Click this link for a Google Form that will let you easily submit:

2. You can also share any pics with us by using the website HJeShare.com (or download the free app!) Our school code is **5955**.
3. Should the above two options not work for you, you can email photos to Ms. Burleigh at oakhillmsyearbook@gmail.com
4. Last but definitely not least, buy your yearbook! Click [here](#) to order one.

Be on the lookout for emails from Mr. Harutunian and Herff Jones, our yearbook company, with opportunities to share images of your student and to purchase the book! Please email Ms. Burleigh at any time with questions. Thank you so much for helping to reflect this school year for our school and our students!
