

NEWTON NORTH HIGH SCHOOL
457 WALNUT STREET
NEWTONVILLE, MA 02460

January 7, 2019

Dear AP Students and Parents,

Taking the Advanced Placement exam is an important part of all AP courses. Newton North High School expects that all students will register for and take the AP exam for the AP classes that they are enrolled in. Scoring well on an AP exam can often earn students college credit.

Online registration is open from now until Wednesday, March 6, 2019 at 11:59 PM. Newton North uses *Total Registration* www.TotalRegistration.net/AP/221555 for the registration and payment process.

To complete the registration process, students must answer all of the required questions. I strongly recommend that students and parents complete the registration process together to ensure that all personal and course information is accurate and that the correct exam(s) are ordered.

The cost per AP exam is \$99.00. Newton North High School desires that every student be able to take his or her AP exams. Those who may need financial assistance should contact Mr. Brendan Amedio, to see if circumstances qualify for assistance.

If SSD testing accommodations are needed, please refer to the accommodation letter that was sent out by the NNHS special education department in August and contact Mrs. Patricia Leone by January 28th to get the paperwork started.

Here are the important dates for the registration process:

- Mon, January 7th at 9:00 AM – Registration begins.
- Mon, January 28th – Accommodation application deadline.
- Wed, March 6th at 11:59 PM – Registration ends.
 - Registrations received after this date will be placed on a wait list and will incur a \$50 late fee.
- Mon, March 11th at 11:59 PM – Exams not paid for by this date will be canceled.
