

4/4/2013

Each person needs to hand in at the end of the period today a sheet with the following for each poster / group:

- A) Group Members
- B) 3 Things you like about the design
- C) 2 Vocabulary words and how they're used on the poster
- D) 1 Comment about the poster

Then answer the following question: What do you notice about the circuit diagrams for everyone's flashlight? Are they similar or different?

Grading Rubric: 35 Points Total

Working Flashlight: 10 points

Poster appearance and completeness: 5 points

Blueprint: 5 points

Circuit Diagram: 5 points

Design Process Description: 5 Points

2 Obstacles you encountered and how you overcame them: 3 Points

Why engineering is an iterative process: 2 points
