

PARENTAL NOTIFICATION RELATIVE TO SEX EDUCATION

At the beginning of each school year, all families of students in the District will be notified in writing of the courses and curriculum offered that primarily involve human sexual education or human sexuality issues. The Superintendent or designee will determine the administrator(s) responsible for sending the notice(s). Families of students who enroll in school after the start of the school year will be given the written notice at the time of enrollment. If the planned curriculum changes during the school year, to the extent practicable, parents/guardians will be notified of this fact in a timely manner before implementation.

Each such notice to families will include a brief description of the curriculum covered by this policy and will inform families that they may:

- (1) exempt their student from any portion of the curriculum that primarily involves human sexual education or human sexuality issues, without penalty to the student, by sending a letter to the school principal requesting an exemption. Any student who is exempted by request of the parent/guardian under this policy may be given an alternative assignment.
- (2) inspect and review program instruction materials for these curricula, which will be made reasonably accessible to parents/guardians and others to the extent practicable. Parents/guardians may arrange with the Principal to review the materials at the school and may also review them at other locations that may be determined by the Superintendent or designee.

A parent/guardian who is dissatisfied with a decision of the Principal concerning notice, access to instructional materials, or exemption for the student under this policy may send a written request to the Superintendent for review of the issue. The Superintendent or designee will review the issue and give the parent/guardian a timely written decision, preferably within two weeks of the request. A parent/guardian who is dissatisfied with the Superintendent's decision may send a written request to the School Committee for review of the issue. The School Committee will review the issue and give the parent/guardian a timely written decision, preferably within four weeks of the request. A parent/guardian who is still dissatisfied after this process may send a written request to the Commissioner of Education for review of the issue in the dispute.

A copy of this policy will be provided to each Principal by the start of school of each year.
