

Newton Public Schools

Memorandum

To: David Fleishman, Superintendent of Schools

From: Cynthia Paris Jeffries, Assistant Superintendent for Elementary Education *CPJ*

Date: March 10, 2016

Re: Expansion of Memorial-Spaulling Buffer Zone

After reviewing the information and discussion from the February 23, 2016 School Committee meeting, we are modifying our original recommendation to expand the Memorial-Spaulling buffer zone to commence October 1, 2016. After a short presentation, we will be available to answer any questions.
