## 2020-2021 F.A. Day School Supply Recommendations

### Supplies at Home:

- 3-hole punch
- 3x5 index cards
- measuring tape
- tape
- dictionary
- thesaurus
- bilingual dictionary (for World language)

*\*\* Given public health considerations for the coming school year, we are recommending that students do not share novels for their ELA classes. As a result, we are adding the required reading books to the "suggested" supply list this year for those parents preferring to purchase an individual copy of the novels for their children. Purchasing a copy of the book for your child also affords them the opportunity to annotate in the text rather than use post-it notes. Please know that the school will have copies of these books for any student who needs a copy and does not choose to purchase their own.*
