STUDENT NAME: _____

4th GRADE TEACHER (if known): _____

PARENT CONTACT NAME: _____

INSTRUMENT: _____

Can't decide which instrument right now? Discuss options with your music teacher or explore instruments at a local music store or on YouTube. A final decision must be made in time to ensure you have your instrument by September 20th, 2019

Why pre-register? Organizing instrumental classes is a large task that must happen quickly at the start of the school year. Pre-Registration forms collected at the end of 3rd grade help our music teachers prepare draft schedules to ensure classes begin on time. Pre-registration at the end of 3rd grade is not required but students must register by Sep. 20th.

We intend to use **Online Registration & Fee Payment** (opens June 1, 2019)

We are applying for a **Fee Waiver** and **Needs-based Scholarship Instrument**. Applications for a fee waiver and scholarship instrument are available on the Fine Arts Music Registration page of the NPS web site.
