

April 4, 2020

Dear Families,

Thanks to the many families who were able to logon today during yesterday's 10am Zoom meeting regarding Oak Hill's Distance Learning Plan that begins this Monday, April 6.

For the family members who were unable to attend, I created a screencast saved in two parts of 5 minutes each. Please find the links to the NPS District Learning Plan, my screencasts and the Google Slides used during the Zoom and a Google Form in case you have questions or helpful feedback about our plan so we can make improvements going forward.

I hope you are able to slow down this weekend and stay healthy and safe, and for all of our family members in the medical/health profession thank you for all that you are doing to care for others.
