

April 22, 2020

Good morning Students and Families,

I am sure many of you were disappointed to hear that we will not be returning to school this spring. We all have to try to make the best of the situation. Our faculty is trying our best at providing opportunities for students to continue social connections with their friends and classmates. One of the parts of this plan is to offer a wide variety of clubs that will meet via Google Meet or Zoom. Please take a few minutes to review the link here: [Remote AfterSchool Enrichment Clubs](#). If your children have not participated in any of these clubs before encourage them to give one or more a try.

Your children's teachers and I are hoping your children stay positive, continue reaching out to their teachers and engage in the different types of learning activities to keep their minds healthy and growing.

[Team Learning Plans](#)

Sincerely,  
Mr. Harutunian
