Dear 6th Grade Families,

Great news! We just finished our fourth day with Laps at Lunch with the 6th graders.

[Click here to read my update to our Laps at Lunch program!](#)

As we continue to develop this, the teachers and supervising parents agree that it will be helpful to have 3 parents attending each day.

Please see the revised Sign Up Genius and if you can come to help, it will help us sustain the program: [Laps at Lunch Sign Up Genius](#)

Thanks,

John
