Dear Oak Hill Families,

Hope you are all having a nice weekend and Happy New Year to those celebrating Rosh Hashanah during these two days! A few items for this week:

School Safety Day - Coming October 24!

During this past Thursday's Early-Release, the entire staff was trained in our district's updated Emergency Operations Plan. We will be leading a school safety day with students on October 24 where we will practice the updated safety protocols and procedures. I will be hosting a parent coffee to review Oak Hill's emergency operations plan as well as share the scripts we will be using with students during the safety day.

Girls Who Code: Registration Reminder!

Girls Who Code will begin Friday, November 1st, 2:30-4:00 in the library.

After-School Clubs (After-School Enrichment and Athletics (AEA))

- Oak Hill’s after-school clubs are a great way for your child to meet new students and explore new opportunities and activities. **This month there are several clubs that begin.** Clubs will run after school on Mondays, Wednesdays, Thursdays and Friday from 2:30 – 4:00PM. There is no sign-up and students are invited to go to the designated classroom if they would like to participate. We run a late bus at 4pm that students can take home!
- **There is a one-time fee of \$60/annually per student for clubs.** [Click here for the payment form \(note it identifies 17-18 and this form still applies for 19-20\)](#)
