

Dear Parents and Guardians of Incoming Ninth Grade Students:

March marks the beginning of planning for the transition from Grade 8 to high school. The faculty and staff at Newton South are excited to welcome the Class of 2025 into our community! Newton South is a vibrant and engaging school; we take great pride in our outstanding array of courses, activities, and programs. We are looking forward to partnering with you and your student in September.

We are pleased to invite you and your Grade 8 student to our webinar on Wednesday, March 31st from 6:30-7:30 p.m. In the week prior to this evening, you will receive videos from various academic departments and programs explaining more about the academic and extracurricular offerings at Newton South High School. This webinar will be an opportunity for us to answer some of the questions that you may have. The zoom link will be shared prior to the 31st.

Please take a moment to visit our school website: <http://nshs.newton.k12.ma.us> where you will find a wealth of information about life at Newton South, including the Program of Studies, our course catalog, which will be updated soon. It is a great resource for course offerings, curriculum levels, graduation requirements and more. Again, we look forward to welcoming the class of 2025 to Newton South in the fall!

Sincerely,

Mark Aronson
Interim Principal
