

# NSHS Class of 2025

## Courses That Can Be Requested in Aspen

**Below is a listing of the classes that will be available in Aspen's Student Access to be requested by incoming Ninth Graders for the 2021-2022 school year. Any courses not on this list require teacher recommendation or department head approval.**

*Courses that end in F/SS are offered in both first and second semester. Courses that end in FS are ONLY first semester courses, and courses that end in SS are ONLY second semester courses.*

**Refer to the Program of Studies for more information about these courses. \*If a course below is not listed in the Program of Studies, then the course is not running this year.**
