

The Massachusetts State Seal of Biliteracy and Seal of Biliteracy with Distinction are awarded to graduating seniors who demonstrate a high level of proficiency in English and another language. The Newton Public Schools are proud to honor the achievement of these dedicated students who have devoted significant time and effort to the ideal of becoming linguistically sophisticated global citizens. Their success in attaining a Seal of Biliteracy reflects the value we place on preparing our students for the challenges of the 21st century, and the great respect that we have for our community's diverse linguistic and cultural heritage.

This year, NNHS awarded 88 Seals, in Chinese, French, German, Italian, Japanese, Korean, Luganda, Portuguese, Russian and Spanish. 18 of the Seals are with Distinction. The following students received certificates commemorating their achievement. The Seal is a permanent part of their academic record and affixed to their official transcript.
